It's finally feeling like summer and the docks are filling up. There are always things to be done so don't be shy. Ask what you can help with.

Hello everyone! I've been working on a few things and finalizing some dates. One would be a dock crawl consisting of a theme to decorate for, finger foods and beverages for each other and most importantly.. a good time along the docks.

Another would be cornhole tournaments on Thursday afternoons starting around 4:30PM. Still working on the details.

I've been seeing a lot of club participation on the grounds and in the bar and I hope this keeps going. Remember, we have open docks and plenty of room for more members, so please share these events with your friends and family.

Looking forward to seeing everyone soon.
Mike
