COMMODORE'S CORNER

VILIIJA TELYCENAS

According to Punxsutawney Phil who saw his shadow in Pennsylvania, means six more weeks of winter. However, Staten Island Chuck did not, signaling an early spring. Punxsutawney Phil has an accuracy rate of 39%. Staten Island Chuck has been accurate 80% of the time! I'm going with Staten Island Chuck. Therefore, Spring should be right

around the corner, and summer to follow shortly after. February has been somewhat busy. On February 4th, I represented DBBC at EMBC's Commodore Ball to honor Mike Beason & Lady Jen. Dock Master Aaron Fuchs escorted me. On February 12th, we had a great turnout for the Super Bowl party, and the Entertainment Committee did a wonderful job, thank you. Congratulations to the wing-off winner, Anne Marie Coleman. AYC weekend was a blast! DBBC was well represented. RC Raetzl and the hospitality room committee did an amazing job creating and hosting our room of Teenage Mutant Ninja Turtles. Congratulations on 3rd place! Several DBBC Committees have already met and others are in the process of setting up meetings, which will be posted on the Commodore's Corner board. Any Full member may attend these unless deemed closed by the Chair; none committee members do not have a voice during the committee meeting(s).

We have received our license for a Special Lightning bingo which will be on the evening of April 1st. The proceeds will be going towards the 2023 DBBC's Commodore Ball in May. Sign-up sheets for volunteers will be posted by the 1st week's end in March. Many volunteers will be needed for this to be a success.

Finally, I'd like to give a big shout-out "Thank You" to the cleaning crew. Your time, dedication, and efforts have not gone unnoticed. Our club smells and looks great.

REAR COMMODORE RYAN RAETZEL

Another AYC weekend is in the books. Our club did a great job hosting a hospitality room and bringing home 3rd place. Thanks again to everyone who was involved.

Our weekly specials have been doing really well. We have been selling out of soups and our Taco Tuesdays have been picking up. Just a few reminders; on Taco Tuesdays we are shooting pool at 6:30. Soup specials will continue on Wednesdays through April.

One last thing, the upstairs bar will be closed March 13th through the 16th for our carpet install. The downstairs bar will be open during this time. Shout out to the cleaning crew for all their hard work and raising money for the carpet and shout out to our bartender Ruby for making the soups! R/C Ryan.

FLEET CAPTAIN KATHY JACKSON

Hello everyone! Here is information regarding up coming fun events: On April 8th MRYC is coming to visit with 35 people. Food is welcome and appreciated. April 15th is our club bus trip. Bus cost is \$35.00 per person. We will

be visiting the National Museum of Great Lakes (entry fee is \$17.00 per person for those who want to go though), BVYC, TYC and RYVC. We will leave DBBC at 10Am and return around 6M. Should be a great time! Signup sheet will be up this week. I'm working on fun runs by boat, so keep an eye out for updates.

VICE COMMODORE P/C STEVE HYDER

Here we are once again. March, that time when the weather just doesn't know what to do.

However, what you can do is come to the club every Friday in March for those awesome fish frys. Once again Dave Shaffer and his wonderful fish will be served every Friday except the last Friday. We will also have chicken for those you do not like fish. So come on down eat dinner and then play some Euchre.

Also, with the weather so iffy in March, please if we have a little ice on the walkway and I have been unable to get to it, there is salt at both the front door and the back. Thank you for the help.

As another fundraiser, I am applying for a weekly raffle starting in July and running through the third Wednesday in November. Weekly prize is \$25.00 and if your ticket is pulled it goes right back in for next week. First place will pay \$1000.00 and 2nd place will pay \$500.00 on the last day of the drawing. Tickets available soon and cost is ONLY \$25.00 per ticket. We will only be selling 300 tickets so not too shabby.

Until the next article.... VC Hyder

DOCKMASTER AARON FUCHS

March is here and our mild winter is almost over. It won't be long until the boats start going in the water. The first round of dock bidding was held February 11th, with one boat moving and several new members coming in. Please

remember dock fees are due March 15th.
