### COMMODORE'S CORNER

#### STEVE HYDER

Hopefully the spring is in the air and we can start planning our warm days. However I am sure Mother Nature isn't done with us. Even though it is cold outside, it is warm at the club and there are plenty of great things going on, so please come to the club and meet up with your fellow members and enjoy.

Our membership meeting are lacking members, would be nice to see a bunch members at a meeting. In February we had about 20 members show up 14 of those were the Board. We need membership input so come out to a meeting. Enjoy have some fun.

I would really like to have an open house late April or early May on a Sunday, spruce up our Club and invite public to show off what we have to offer but we need help. So please come to the March meeting and please give us some input on how and what we can do grow our membership. Remember No idea is a bad idea!!

Hopefully we will see you at the club and at the meeting on March 10, 2024 at 2pm
