COMMODORE'S CORNER

STEVE HYDER

Summer...where is it going? Regatta is almost here - remember all hands will be needed when sign sheets go up.

What a great time we all had a I-LYA power week last week. If you never have gone I strongly encourage you to go next year. It's a great benefit to our club to belong to such a great organization such as I-LYA. Congratulations to Commodore Dale Vanderford and Lady Teresa for a great regatta!

Remember our club trip/flotilla is coming up very soon. Sounds like that will be a blast and a great time for us to hang out and have some fun together without breaking the budget!

Many in the club don't know, but in October I will be sworn in as the IOBG International President. The Annual Convention will be held on the island October 10-13th. You do not have to be a member of IOBG to attend the Change of Watch. Please consider coming over this is the first time our club as ever had this opportunity. There is a flyer in this newsletter. Please come over Friday night and enjoy a private party at the Reel Bar and the hospitality room at the hotel to follow and the Change of Watch on Saturday Night. This is a real honor to be serving a IOBG International President from District 9.

Also remember to Vote to on August 6th - I think it would great to see one us back on the Township Board!

Alright everyone have a safe August!

VICE COMMODORE **RYAN RAETZEL**

I'd like to thank the grounds crew for a great job the grounds have been looking great. Due to Taylor Ice wanting to start charging us an ice box rental fee, the board discussed and voted with the amount of ice we sell, it wouldn't be in the clubs best interest to continue having ice without having to raise the price and it would not be much cheaper at the gas station.

Regatta is around the corner and a planning meeting will be posted very soon so keep a look out for that...we need all the help we can get. I also still have cash bash tickets available if anyone is interested. On October 5th, we will be having a comedy night at the club. Tickets and more info will be out soon.

REAR **COMMODORE** **IRENA TELYCENAS**

Another summer month already gone. July's monthly drink special is Mermaid Water-come give it a try. Also, we now have smoked sausage back.

FLEET CAPTAIN **APRIL TURNER**

Hello members! August is already here. We will have a club day trip August 10th. Hoping it's a great turnout! Thank you to all...it's been fun as your Fleet Captain this year so far. Thank you to everyone who supported poker runs and me! Happy August.

DOCKMASTER **AARON FUCHS**

August is here and it's time to start getting ready for regatta. There are still a few things I'd like to get done before that, so if you need dock hours or would just like to help out, please reach out to me or Robert Hasley. Also, it's definitely hotter out, so more people are using their boat's A/C. Please remember to turn A/C off when you leave the premises for an extended period of time. Thanks!

ENTERTAINMENT **SHANE WARE**

Hello everyone! I hope you're all having a great summer so far with friends and family. I would like to say thanks for the great turn out for the Fireworks Party and hope you all enjoyed the band. Old school loves our club and everyone that jams with them. I am in the works putting some music together for a Sunday Funday, so please stay tuned for a flyer to come out. It's truly a pleasure to be a part of this great club and to see some many happy faces.

Proposed changes to DBBC Bylaws:

Purpose: To remove the current \$250 financial obligation (2nd reading July 10, 2024)

Delete from the bylaws the following sections:

Article IX, Section 3, Subsection F, which currently reads:

Each member of this Club shall be responsible for a \$250.00 (December, 2015) financial obligation to be spent for Club services or goods, excepting the payment of dues, special assessments, initiation fees, gasoline, work hours, hall rental fees and associated costs, or other items the membership shall see fit. This obligation may be filled at any time during the year, but all \$250.00 worth must be purchased between previous calendar year November 1st and October 31st of current calendar year or will be billed to the member with the annual dues billing and will be due prior to the issuance of next year's membership card and access to any membership privileges (club access, dockage, etc). Any receipts for Club financial obligation shall be turned in to the appropriate Trustee by the end of the January General Membership Meeting. For billing purposes work hours and financial obligations shall be reported to the Financial Secretary by November 15th by the appropriate Trustee.

Any member designated as retired under the definition of these By-Laws, shall be obligated to a \$100.00 financial obligation instead of the \$250.00 worth of a regular member. All other restrictions remain the same.

New members shall have a financial obligation of \$20.83 per month, prorated on the length of the first year's membership to fulfill their first year's commitment. (December, 2015)

This change takes effect January, 2016.

Article X, Section 5, Subsection I, Subsection 2, which currently reads:

Financial Obligation – Social members shall be responsible for a financial obligation identical to that of regular members, with the same requirements regarding usage, timing, receipts, and billing for unfilled obligations (Refer to Article 9, Section F).

Change the DBBC Bylaws to read as indicated below:

Article X, Section 6, Subsection L, Subsection 2, which currently reads:

The Membership Trustee will calculate pro-rated obligations and work hours for the year in question based on the calendar date of the change year.

Example – If a full member wishes to transition from Full to a Family membership at the beginning of 4th month of the year, that years' work hours would be calculated as $(4/12 * \text{Full Member yearly work hours}) + (8/12 * \text{Family Member yearly work hours})$. An identical calculation would be done to figure obligations expected for that

To read:

The Membership Trustee will calculate pro-rated work hours for the year in question based on the calendar date of the change year.

Example – If a full member wishes to transition from Full to a Family membership at the beginning of 4th month of the year, that years' work hours would be calculated as $(4/12 * \text{Full Member yearly work hours}) + (8/12 * \text{Family Member yearly work hours})$.

Article IX, Section 4, which currently reads:

Auxiliary/Widows The organization known as the Detroit Beach Boat Club Auxiliary is dissolved and will cease to exist as of December 31, 2021. Auxiliary members who are widows of past club members as of this date of dissolution may at their discretion become full members of the club at the reduced annual dues rate of \$25 per year and will be exempt from the annual work hour and financial obligations stated in Article X, Section 5. They will also receive I-LYA and AYC reciprocal privileges. (06-09-21)

Article IX, Section 5, Subsection A3, which currently reads:

They are exempted from financial obligation requirements and from any other minimum expenditure rules that may be established.

To read:

They are exempted from any financial obligation requirements and from any other minimum expenditure rules that may be established.

Article IX, Section 8, Subsection A3, which currently reads:

The first year financial obligation shall be reduced by 50% and will be prorated at 1/12th of this cost as stated in Article IX Section 3 of the By-Laws.

To read:

any first year financial obligation shall be reduced by 50% and will be prorated at 1/12th of this cost.

Article X, Section 6, Subsection A, which currently reads:

Roster Member – This shall be the individual whose name shall appear on all billings, obligations, and work hour reports as shall be developed. This person shall ultimately be responsible for any and all dues, obligations, work hour charges, club seniority, and any special assessments that may be authorized during the time they are a member of the club.
