Wow! Here it is the end of January and we haven't seen much of that 4 letter word, S#@w. Before you know it, the boating season shall be here. I'd like to begin by saying thank you to all the members and their guests, as well as guests from other clubs that came out & supported our club. Our weekends have been busy.

With that being said, Fleet Captain Kathy Jackson, her husband Greg, Sergeant-at-Arms Irena & myself went burgee retrieving & stealing on Friday the 13th. We visited Sunseeker's, Seaway & Swan; a great time was had by all. January 21st, I attended ORYC's Ball honoring Commodore Mike Murphy & Lady Nicole. SSBC Commodore Lenny Bradburn & Lady Tracy accompanied myself back to our club for some DBBC fun. February 4th I'll be attending EMBC's Ball honoring Commodore Mike Beason & Lady Jennifer. We have received two more invites, NCYC, which VC Steve Hyder & Lady Pam will be attending and FYC, which RC Ryan Raetzel & Lady Crystal will be attending to represent DBBC. Reciprocating cards from other clubs have been coming in and will be posted on the Commodore's Corner board.

Membership bills have been sent out & are due by the February 1st Officer's meeting. If you have questions in regards to your bill, please don't hesitate to reach out beforehand to any Bridge Officer. I'll end on that note & look forward to seeing you around our Club.

Commodore Vilija

VICE COMMODORE
P/C STEVE HYDER

Winter has approached us with the recent snowfall. A huge thank you to PC Denis Breitenbach for clearing a walkway to the downstairs doors.

The outside stairs will remain closed during the icy winter weather. Too dangerous!

Also, thank you to all who grabbed the salt and threw it down when needed. Please let me know if we need more salt.

Now, time to raise money for the 2024 Commodore's Ball. Starting the first Friday in March the fish fries will begin with Schaefer's' special batter. Fish and non-fish options will be available. Other than that, remember Superbowl, AYC weekend and oh.. My birthday!

Real quick...A huge shout out to everyone who helped with the AYC dinner in January at DBBC. Our club did a fantastic job! Thank you from AYC Past Commodore. See you at the club

V/C Hyder

REAR COMMODORE
RYAN RAETZEL

I'd like to start off by thanking everyone who signed up and put a dinner special on for Sundays and Mondays to help raise money for our hospitality room. Also, I appreciate all the support from our members

that came out and bought a dinner, attended the smoke off and the bowling fundraiser. Both events were a huge success and I couldn't have done it without those who volunteered to work them. I hope everyone who wanted to come to AYC weekend has their tickets. It's going to be a great time. The dates are February 17th and 18th.

As some of you might have noticed, there are a few items that are new or brought back to the club; for example Bullet Bourbon, Belvedere Vodka, Bush and Bush light to name a few. As far as the menu, we have soup specials on Wednesdays and Taco Tuesdays will be returning this month starting on the 7th. I'm currently looking over the menu to possibly add a couple of things. More to come on that.

Also starting February 7th along with bringing Taco Tuesdays back, we're going to set the pool table up in hopes to start up an in-house pool league or just get together and shoot pool and eat tacos. Pool will start at 6:30PM. So if you don't have anything going on on a Tuesday, come down and join us. Everyone is welcome.

I hope everyone is happy with some of the changes and upgrades around the upstairs bar. With that said, our cleaning crew has been doing a fantastic job the club looks and smells great. It takes alot of time and dedication to keep up with housekeeping so next time you see them just simply thank them it means more than you think.

If anyone has any questions or concerns, feel free to reach out at any time.

Thank you
R/C Ryan.

AARON FUCHS

January is gone. Another month closer to spring and getting the boats in the water. So far this winter, there has been little to no ice around the docks. February 11th from 1 to 3PM is the first round of dock bidding.
