COMMODORE'S CORNER

STEVE HYDER

Wow, September already..that means Regatta time. Get those work hours in. We need all the help we can get. I know everyone wants to have fun at the Regatta, but you can do two hours and also have a great time!!

Even though it is September there is still plenty of boating to do, and plenty of fun to have at the club!

Keep in mind our nominations are coming up next month on October 9th. If you're interested in seeking an office on the board, please reach out to any of the officers. We will be glad to assist. If you cannot make the meeting, you can get a letter of intent to the Secretary prior to the meeting. This is a great a club and serving on the Board is a lot of fun. Please consider it!

As mentioned last month - I will be sworn in as the International President of IOBG on October 12, 2024 on Put-In-Bay. The flyer is in this newsletter. This is like a Commodore's ball and will be a great time. I would love to see some club support. Our club has never had this opportunity. If you can make the weekend on the Island, please consider coming out and enjoying a great time. Lady Pam and I will be the most gracious hosts and I will assure you a great time with a hospitality room, private party at the Reel Bar (Friday Night) and then the Change of Watch on Saturday. If you can make on Friday afternoon, I have arranged for a private tour of the Benson Ford. This will be a great weekend. Please check your schedule!

Have a great September! Hyder

Proposed changes to DBBC Bylaws:

Purpose: To remove the current \$250 financial obligation (3rd reading August 14, 2024)

Delete from the bylaws the following sections:

Article IX, Section 3, Subsection F, which currently reads:

Each member of this Club shall be responsible for a \$250.00 (December, 2015) financial obligation to be spent for Club services or goods, excepting the payment of dues, special assessments, initiation fees, gasoline, work hours, hall rental fees and associated costs, or other items the membership shall see fit. This obligation may be filled at any time during the year, but all \$250.00 worth must be purchased between previous calendar year November 1st and October 31st of current calendar year or will be billed to the member with the annual dues billing and will be due prior to the issuance of next year's membership card and access to any membership privileges (club access, dockage, etc). Any receipts for Club financial obligation shall be turned in to the appropriate Trustee by the end of the January General Membership Meeting. For billing purposes work hours and financial obligations shall be reported to the Financial Secretary by November 15th by the appropriate Trustee.

Any member designated as retired under the definition of these By-Laws, shall be obligated to a \$100.00 financial obligation instead of the \$250.00 worth of a regular member. All other restrictions remain the same.

New members shall have a financial obligation of \$20.83 per month, prorated on the length of the first year's membership to fulfill their first year's commitment. (December, 2015)

This change takes effect January, 2016.

Article X, Section 5, Subsection I, Subsection 2, which currently reads:

Financial Obligation – Social members shall be responsible for a financial obligation identical to that of regular members, with the same requirements regarding usage, timing, receipts, and billing for unfilled obligations (Refer to Article 9, Section F).

Change the DBBC Bylaws to read as indicated below:

Article X, Section 6, Subsection L, Subsection 2, which currently reads:

The Membership Trustee will calculate pro-rated obligations and work hours for the year in question based on the calendar date of the change year.

Example – If a full member wishes to transition from Full to a Family membership at the beginning of 4th month of the year, that years' work hours would be calculated as $(4/12 * \text{Full Member yearly work hours}) + (8/12 * \text{Family Member yearly work hours})$. An identical calculation would be done to figure obligations expected for that

Article IX, Section 4, which currently reads:

Auxiliary/Widows The organization known as the Detroit Beach Boat Club Auxiliary is dissolved and will cease to exist as of December 31, 2021. Auxiliary members who are widows of past club members as of this date of dissolution may at their discretion become full members of the club at the reduced annual dues rate of \$25 per year and will be exempt from the annual work hour and financial obligations stated in Article X, Section 5.
