COMMODORE

KARYN SELLE

The 2021 Regatta was an amazing time. I heard from so many visitors how much fun they had and how great the food was. Thank you to all that participated in any way. Remember the fun doesn't end just because the boats are headed to winter storage. The club Halloween Party is back this year! Come on down for a great time! Please stay tuned for communications on email, Facebook and by text. Commodore- Karyn

P.S.... Great job to our DBBC team for holding our 1st place status at this year's downtown Monroe Bed Race!

Vice Commodore

DON TECZYNSKI

What a great regatta we put on this past September! Thank you to everyone who supported or helped out in some way. It takes a village to pull off an event like we did. Special thanks to our Dock Master, Tony and his crew for docking 65 guest boats.

Summer may be coming to a close, but watch Facebook and your emails posts. There are still plenty of fun things to do during the winter months. Look out in the near future, Lady Kristin is trying to put together a few fun and original end of season fundraisers. Stay tuned!
Hope to see you at the club Halloween Party!

Hey all! Poker runs are over..I would like to thank all of you who participated. Our regatta was a great time and we had a really nice turn out. Hope you got to see me sink in my cardboard boat, but I guess the Black Pearl did what it was supposed to lol. FYI don't get your cardboard boat schematics off google!

Let's enjoy the last warm days of the year and hopefully get a few more boat rides in. Looking forward to our club Halloween Party! Not much else to report.

Hard to believe its already October and some of the boats are starting to go into winter storage.....This Summer went way too quick!

I wanted to say a big thank you to everyone who helped Aaron and I dock boats for the Regatta, especially Wayne Gray and Jeff Schmidt who help with the boats before and during the Regatta and even assisted getting all the boats out safely during heavy winds after and PC Dennis Breitenbach for teaching me how to stack boats in the fairways.

I am continuing to gather information on the best options for replacing our fuel tank and gas dispenser and what is required by the state and the city to do so properly. These options will presented at a dockholder's meeting directly

following the fall work party at 12 noon on October 30th. Hope all dock holders can come out for the fall dock and grounds and please remember your dock poles must be out by November 1st.

BILL WOLFF

Well, it's October. The days are getting shorter. We've come around to the sad time of year when we have lots of stuff to do to get ready for the colder weather. BUT...

It's not all bad news. October brings Halloween. We're going to have a Halloween party this year, and we're planning B I G this year. B I G. The party will be on Saturday, October 30th. We're bringing in the band East River Drive. They are an amazing band that you may have heard playing lots of clubs down in Toledo. We've struck a deal to have them come out and fill the club with some great dance music for the party.

The doors will open at 7:00 PM and the band starts at 8:00 PM and plays until midnight. Costumes are not required, but are encouraged and celebrated. There will, of course, be a best costume contest as well. For all of this fun, we're

asking for \$5.00/person at the door to offset the cost of the band (I tried, but they won't drive up and play for free). On the food front, in addition to the \$5.00 we're asking attendees for donations of sides and desserts that we can put with the pulled pork tenderloins that Lisa and I will be making for the evening.

My friends, we've missed lots of great opportunities to party thanks to this whole COVID thing. I say we have some make-up partying to do. That's why we're betting heavy on great support from all of you and bringing in a top-shelf band to fill the dance floor all night long. BUT this only works with your support and participation. So, get your costume figured out and get yourself down to the club for what's going to be a great night of spooky fun with your friends here at DBBC! See you at the club! Bill
